We are pleased to announce our 2023 banquet celebrating our 37th anniversary. Your generous support has allowed Minnesota Pheasants, Inc. along with our partners to acquire or restore over 5,000 acres of habitat in the Blue Earth County Area. Projects (solo or with partners) we are currently undertaking will add nearly 500 acres of **NEW** habitat in addition to improving nearly 680 acres of existing habitat. We continue to work on other projects that offer potential for new or enhanced habitat.

Nearly 100% of funds raised will result in new and enhanced habitat right here in our backyard. Conservation efforts have become more costly and our need for funding today is significant. ***Thanks for your support, we appreciate it!***

PLEASE READ - Limited tickets see order form.

Dinner tickets are **complimentary with any supporter or sponsor option**. Each option will enter you into a drawing(s) for various prizes. In addition, you will receive a complimentary dinner ticket. If you choose not to attend the banquet, you can still buy a supporter or sponsor option - you do **NOT** need to be present to enter or win. **Please make sure to let us know on the order form if you do NOT plan on attending the live banquet.** Feel free to contact us with any questions using the contact information on the second page.
