Your generous support has allowed Minnesota Pheasants, Inc. along with our partners to acquire or restore over 7,000 acres of habitat in the Blue Earth County Area. Projects (solo or with partners) we are currently undertaking will add nearly 450-acres of **NEW** habitat in addition to improving 400 acres of existing habitat. **Funds raised will result in new and enhanced habitat right here in our backyard. Thanks for your support, we appreciate it!**

**PLEASE READ - Limited tickets, see order form.**

Dinner tickets are **complimentary with any ticket option**. Each option will enter you into a drawing(s) for various prizes. If you choose not to attend the banquet, you can still buy a supporter or sponsor option - you do **NOT** need to be present to enter or win. **Please make sure to let us know on the order form if you do NOT plan on attending the live banquet.** Contact us with any questions.
